

Bull Proof stall sheets

The Bull Proof solid laminate sheet is a good and durable material for the coating of stalls.

The Bull Proof stall sheet is a durable solid laminate

The panel does not absorb moisture and is very hard. Due to its compact surface, the Bull Proof sheet is also easy to clean. We have a wide variety of sheets available in stock, which one can inquire about from our customer service.

Standard laminate sizes

- 3050 x 1300 mm
- 2440 x 1300 mm
- 2150 x 1300 mm
