

Magnetic sheets

The sheets coated with Formica® Magnetic Laminate work as magnetic, chalk, writing or overhead projector boards, depending on the laminate and surface form of the collection.

Tälli Oy supplies coated magnet sheets to customers

The sheets are delivered as whole sheets for the selected base compressed according to the Formica® Magnetic Laminate model, without any machining.

Base materials

- Chipboard base
- MDF

Laminates

M2022 BRM Brushed Aluminium magnetic display board

M2253 MNL Diamond Black magnetic chalkboard

Valmistus

Tälli Oy

Hallikuja 5
